### PARKING PERMIT INFORMATION

#### REQUIREMENTS FOR REGISTRATION

These requirements must be followed before we can accept your registration form.

- Fill out attached form and have parent/ guardian read and sign. Forms must be completely filled out prior to registration, including parent signature and vehicle information.
- STAPLE A COPY OF YOUR CURRENT DRIVER'S LICENSE AND CURRENT CAR INSURANCE TO THE REGISTRATION FORM. STUDENTS MUST HAVE THEIR LICENSE BEFORE SIGNING UP FOR A PARKING PERMIT.

Permits will not be held without complete registration. Telephone reservations will not be accepted to reserve permits. WE WILL ONLY ACCEPT PAYMENTS AT THE PAYMENT WINDOWS IN THE COMMONS BEFORE SCHOOL, DURING LUNCHES, AND AFTER SCHOOL . Any part of the registration requirements that are forged, expired, etc. will result in forfeit of the student's parking permit for the school year.

#### STUDENT PARKING / AUTOMOBILE SAFETY

Student automobiles are for transportation to and from school. They will not be driven during school hours without permission of a parent/guardian. The parking lot is closed during the school day. Students are not to be in the parking lot for any reason without permission of a school official. Students may not "hangout" or sit in their vehicles during the school day including during lunch.

Stanwood High School is a closed campus. Parking lots will remain locked during school hours. There are designated parking spots for running start students, students that have official late arrival or early release, and students that have a parental/guardian excuse cleared through the attendance office. All other students must park in the locked parking areas.

Stanwood High School has four parking lots for SHS students; the Stadium Lot, Upper Ag Lot and the Lower Ag Lot are used for general student parking. These are locked during the school day. The "Green Lot" is used for students with partial-day class schedules, i.e., Running Start students. The Green Lot is a gravel lot which may not accommodate 'low suspension' vehicles. If a student has a 'low suspension' vehicle, and they choose to not park in that lot, they may have to park in one of the public parking areas along the streets near the high school. If a student changes their schedule to a partial-day after the school year begins and the Green Lot is at capacity, they may not be able to have their parking permit exchanged for a Green Lot Permit.

1. Parking permits cost \$20.
2. Permits will be issued starting the last week of August.
3. When applying for their permit, the student must provide a copy of his/her license, insurance, and register their car(s) to the permit.

4. Students must have their permit placed inside vehicle on driver's side front window (lower left corner) while parked on campus. If the student has a permit and it is not in the proper location, they will receive a ticket and risk possible loss of their parking privileges.
5. Students cannot sell or give their permit to another student. Students that do sell or give away their permit will be found in violation of school rules and that will have an impact on receiving permits in the future.
6. If a student loses their permit, they will be issued a temporary pass for 5 days. When the 5 days are complete, the student must purchase a new \$20 permit.
7. Common parking violations resulting in a \$20 fine:
  - a. Not parking in a designated parking spot provided for student use (fire lane, handicap spot, staff parking area, visitor parking, Church Creek Parking areas).
  - b. Parking in more than one spot.
  - c. Selling or giving away your permit
  - d. Parking on campus without a permit or without a permit clearly visible in the vehicle windshield.
8. Parking permits may be revoked due to disciplinary action without the possibility of refund or reinstatement.
