STUDENT PARKING / AUTOMOBILE SAFETY

Student automobiles are for transportation to and from school. They will not be driven during school hours without permission of a parent/guardian. The parking lot is closed during the school day. Students are not to be in the parking lot for any reason without permission of a school official. Students may not "hangout" or sit in their vehicles during the school day including during lunch.

Stanwood High School is a closed campus. Parking lots will remain locked during school hours. There are designated parking spots for running start students, students enrolled in certain offsite programs, students that have official late arrival or early release, and students that have a parental/guardian excuse cleared through the attendance office. All other students must park in the locked parking areas. Stanwood High School has five parking lots for SHS students; the Stadium Lot (Lot A), the Baseball Lot (Lot B), the Main Lot (Lot C), and Lower Front Lot (Lot D) are used for general student parking. These are locked during the school day. The "Green Lot" (Lot E) is used for students with partial-day class schedules, i.e., Running Start students. If a student changes their schedule to a partial-day after the school year begins and the Green Lot is at capacity, they may not be able to have their parking permit exchanged for a Green Lot Permit.
