Stay Close... Go Far

Lots of choices for Dual credit---Which one is best for you?

University Admissions considerations

- Rigorous coursework
- STEM courses
- Dual credit
- Research
- Show your curiosity
- What story do you tell?

Entry Level Jobs for STEM Majors

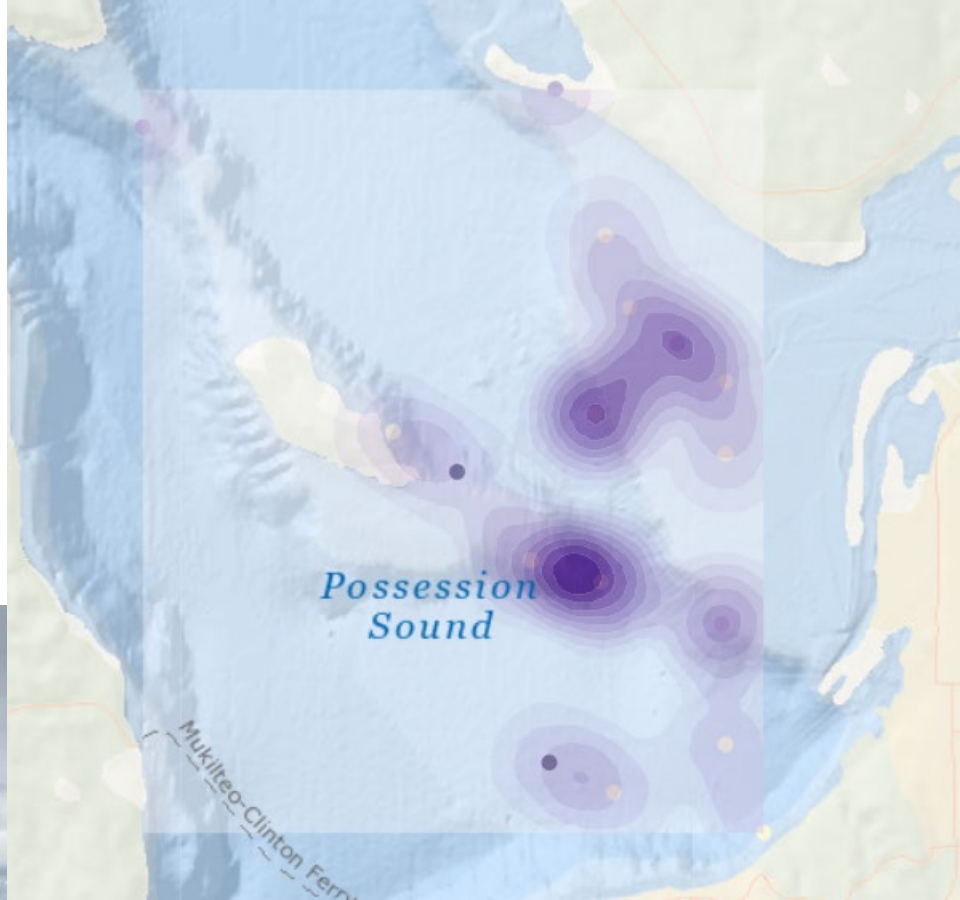

Ocean Research College Academy

- Full time option for EvCC Running Start students
- Small community (60 students admitted each year) of connected learners focused on research
- ORCA students earn AAS degree because they complete the math, science, English and History requirements for **both** HS and EvCC

ORCA Students engaged in Research

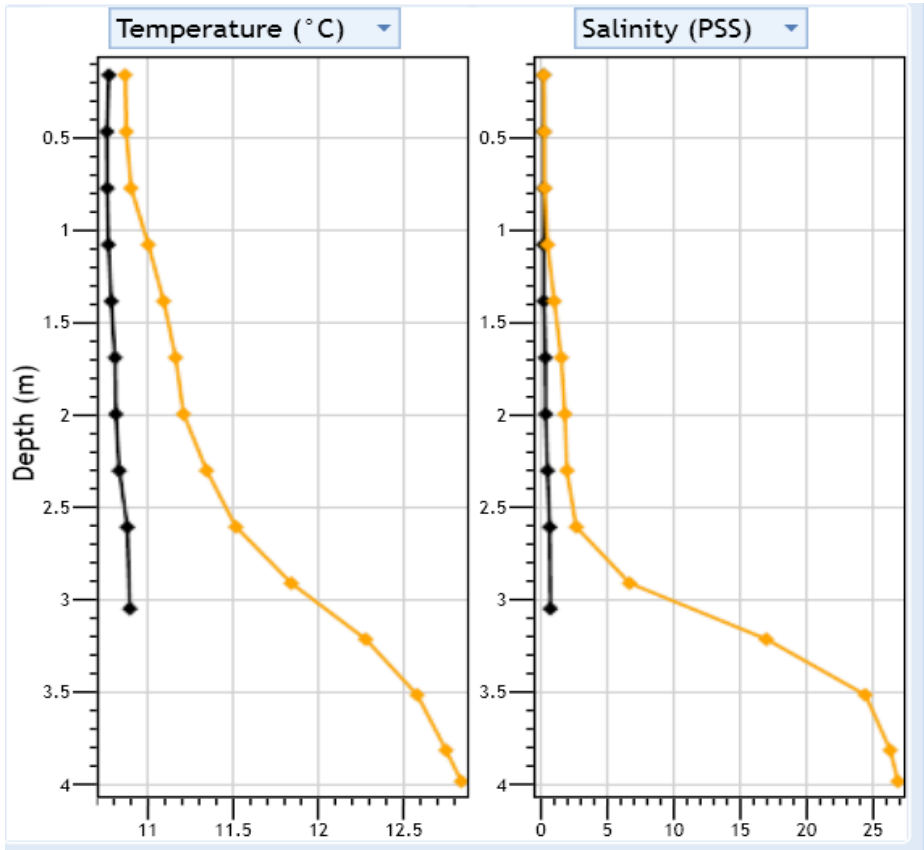

Systems learning
Student culture of asking questions
How to use and manage data
Use this to tell their own story

Using data to understand this place and build skills

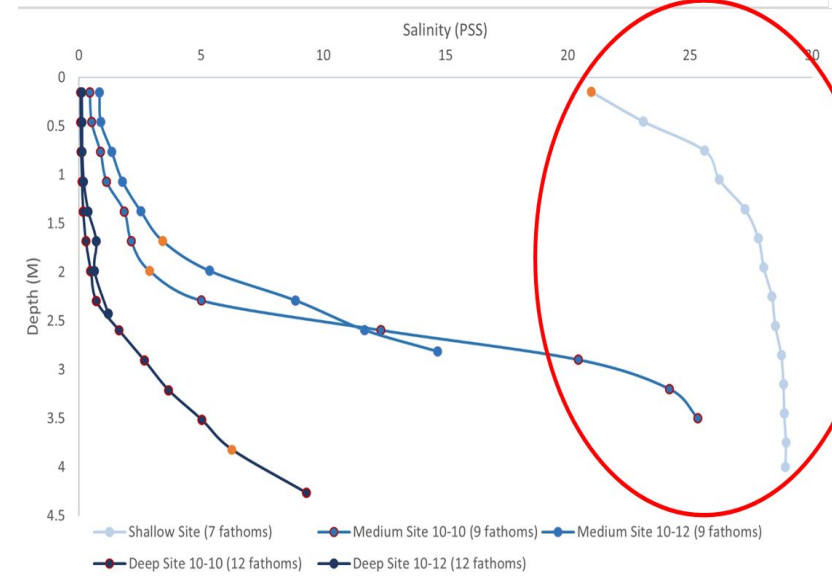

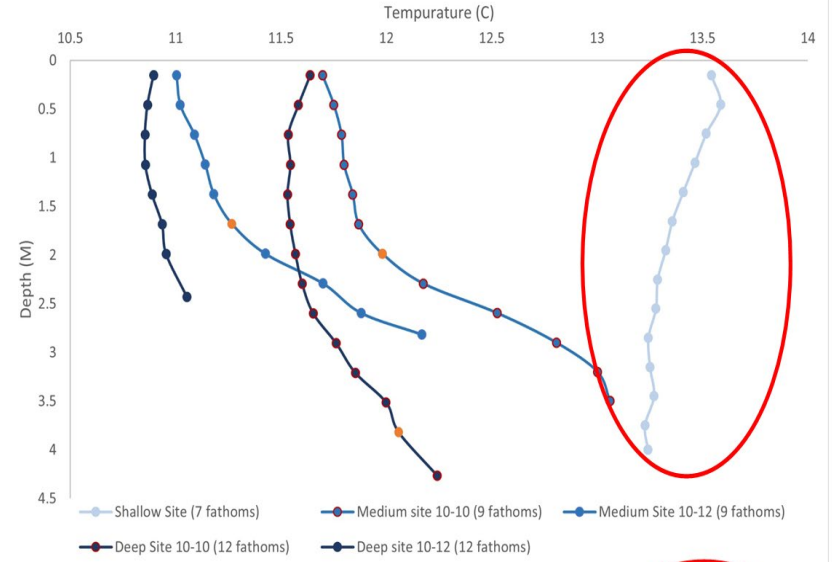

North Jetty Island 10/14/20

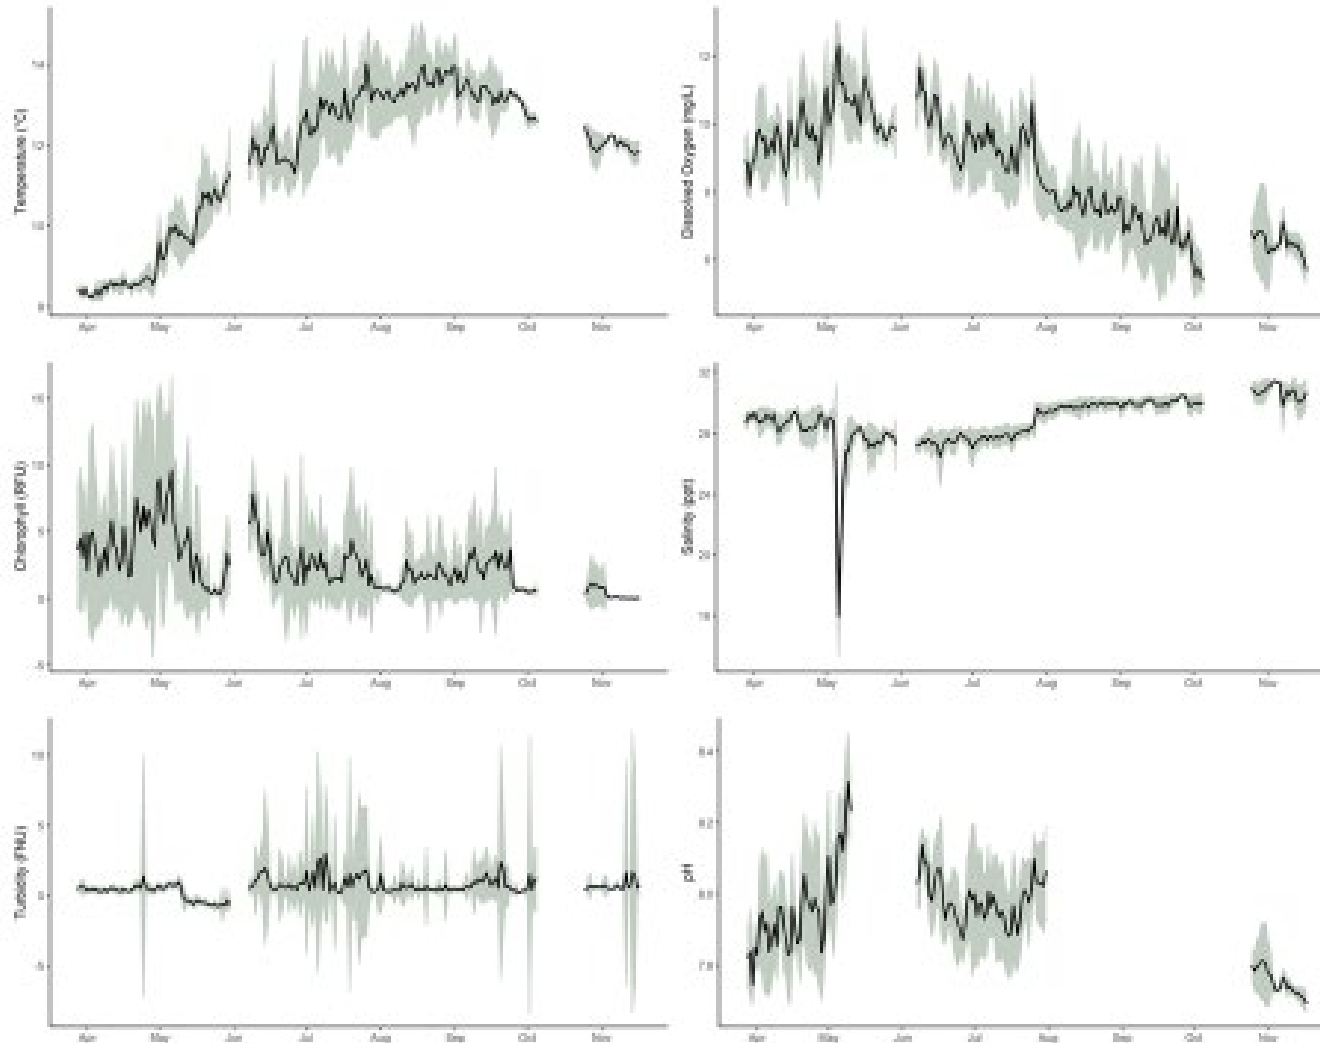

Black 10:21 am Yellow 11:49 tide flooding

10/14/20 2.0 ft (flood from .7 low)

Increasing use of data streams to build expertise, apply statistics and tell a story

MBT 2023 site
April-Nov. Depth of
8-11 meters
