

# RUNNING START at Skagit Valley College

Dual Credit Programs

# What is Dual Credit?

Dual Credit means earning **both** high school and college credit for the **same work at the same time!**

No additional work or tests!  
The grade you earn will be on both transcripts.

Subject	1	2	3	4
LANG ARTS E 2	A-	A	A	A
GR TWO	A	A	A	A
SCIENCE E 2	A	A	A	A
SOCIAL STU E 2	A	A	A	A
ART E 2	A	A	A	A
MUSIC E 2	A	A	A	A
ED E 2	A	A	A	A

# WHAT IS RUNNING START?

Enroll as an SVC **college student** early, and earn **college credit and complete high school graduation requirements** at the same time for the same work!

Running Start is a **set of state statutes** that creates agreements between high schools and community colleges and is your source of **state funding for tuition**.

# IMPORTANT TO KNOW:

Running Start is **not a special set of courses at SVC** or a special program on campus. Running Start students are in courses with the rest of the population of students (avg. age 29) and are considered SVC students.

SVC does **not offer the same level of institutional parent/guardian involvement** the high school (this is true even though students are minors).

Running Start is **not completely free**, there are costs students will incur.

**Running Start is a great way to earn two types of credit for the same work, start college early, and fund tuition!**

# RUNNING START ELIGIBILITY

---

- Must be enrolled in a **public school district** (homeschool and private school students must enroll in their local public school to participate)
- Must be under the age of **21** as of **Sep 1<sup>st</sup>** of the school year of enrollment
- Students must be classified as **juniors** or **seniors** by the public high school
- Students can not have achieved all of their **high school graduation requirements** (or be graduated from high school or have earned a GED)

# What are the benefits of Running Start?

# SAVE A LOT OF MONEY AND TIME!

You save **\$11,122.20**  
on **90 SVC credits!**

The same credits at  
UW would be **\$34,560**  
in tuition alone!

You can earn an  
employable degree by  
the **time you're 18!**

This means you have a  
head start on a great  
paycheck!

Get to where you're  
going faster!

SVC's two year Direct Transfer  
Agreement degree is built to  
transfer into public 4-year  
colleges like UW, WSU and CWU.

# EARN A DEGREE: Running Start students can qualify for 90+ credits over two years

You have the potential to earn an **SVC Associate's Degree** by high school graduation!

You can work towards any **SVC Certificates and Prof/Tech Degrees**  
\*With an exception to programs with age limitations

SVC College Credit is **transferable** to other colleges and universities  
\*Contact the school to make sure they accept those credits!

# How much does Running Start cost?

# Quarterly Costs for Running Start (2023-2024)

## SVC Running Start Student Financial Responsibility

Per Quarter	1 class 5 credits	3 classes 15 credits
Fees	\$125	\$332.50

## SVC Running Start Student Eligible for Fee Waiver

Per Quarter	5 credits	15 credits
Fees	\$0	\$0

---

## Non-Running Start Cost (before financial aid)

Per Quarter	5 credits	15 credits
Tuition + Fees	\$719.05	\$1,814.40

\*Running Start covers tuition of 100-level+ courses, up to the amount of credits entered on your Running Start Enrollment Verification Form.

# Credit Portion of Running Start Enrollment Verification Form (2023-2024)

## Free and Reduced-Price Lunch (FRPL) Status (required to be completed)

Students who are currently FRPL-eligible (or anytime in the past five school years) may receive tuition and fee waivers from a college.

Is the student currently or previously eligible for FRPL?  Yes  No HS Counselor Initials: \_\_\_\_\_

*The parent or guardian signature below provides permission to share FRPL eligibility status only with the college for the purpose of ensuring access to tuition and/or fee waivers. Choosing not to sign the consent will not affect the student's eligibility for access to Running Start or free and reduced-price meals. The individuals and programs receiving the information will not share the information with any other entity or program.*

Parent/Guardian Signature: \_\_\_\_\_ Date: \_\_\_\_\_

School Year: \_\_\_\_\_ College Term:  Quarter  Semester

High School: \_\_\_\_\_  
Fall, Winter, Spring Qtr. / 1st or 2nd Sem.

District: \_\_\_\_\_ Grade Level:  11th  12th  5th Year Sr<sup>o</sup>

For the college term <sup>4</sup> above, the student will be enrolled in high school and skill center classes equaling \_\_\_\_\_ full-time equivalent (FTE). Student may register for a maximum of \_\_\_\_\_ college credits, without incurring college tuition costs, based on the above stated high school/skill center FTE.

Comments: \_\_\_\_\_

Running Start Funding Limit Table

Enrolled High School			Available College Enrollment

1,124	-	1,223	0.68	-	0.73	0.67	10
1,224	-	1,340	0.74	-	0.80	0.60	9
1,341	-	1,456	0.81	-	0.87	0.53	8
1,457	-	1,556	0.88	-	0.93	0.47	7
1,557	-	or more	0.94	-	1.00	0.40	6

\* Students should check with college about the maximum number of credits allowed. Overages may require college approval.

# ADDITIONAL COSTS OF ATTENDANCE

- Books/supplies (budget approx. \$100 per class, per quarter)
- Course fees (Lab fees)
- Meals (not provided by the college, but may be purchased on campus)  
SVC has a FREE food pantry for students
- Transportation (SVC students receive a free city bus pass)

## Sample Running Start Quarter Costs:

Let's say this Running Start student does not qualify for a fee waiver and is taking 15 credits (English 101, Math 146 and Ceramics 241). Their costs would look a bit like this:

<u>College Fees</u>	<u>Lab Fees</u>	<u>Book(s)</u>	<u>Food/Transportation</u>					
\$332.50	+	\$40	+	\$105 (1, used)	+	\$600 (\$50/wk, 12 wks)	=	<b>\$1,077.50</b>

**What's it like to be a  
Running Start student?**

# A Running Start student is a COLLEGE STUDENT!

- **You get to be in charge of your educational path!** This is a lot of fun *and* a responsibility (and you can always get help from SVC advisors and resources).
- Your **weekly schedule** and the amount of time you spend in class will look a lot different than high school - and you can build your own schedule!
- The **conversations you'll have in class** will be different than in a high school environment. The average age of SVC students is 29, and everyone has opted in to be here, so the level of engagement tends to be more elevated.
- **SVC offers a wide range of subject matter and activities** that you typically can't find at the high school level.

# WHAT IS FERPA?

## Family Educational Rights and Privacy Act

As a college student, you have the

**right to privacy in your educational records**

and the college is not allowed to share your information without a release.

FERPA is a federal law made to protect student information from being misused.

\*you can find more info and our Information release form at  
[Skagit.edu/information-for-parents/ferpa/](https://www.skagit.edu/information-for-parents/ferpa/)

# IT'S A BIG DECISION with BIG RESPONSIBILITIES!

- College environments are **faster-paced**, have **more homework**, and require **time-management** (we can help!).
- **Schedules and calendars** are different for colleges & high schools:  
Example: 2023 HS spring break = 4/3 – 4/7, SVC spring break = 3/20 – 4/3  
(spring quarter starts on 4/4, so you can't be absent that week)
- Students should be prepared to **work closely with college and high school counselors & advisors** to pick courses that align with high school graduation requirements (because of FERPA, parents and counselors can't do it for you).

**These credits will be on both your high school and college transcript.**

# SVC RESOURCES – we're here to help!

---

- **First Quarter Experience course** You'll enroll in one of our College Success Skills classes and learn what you need to know to be a great college student! You'll also complete an education plan with an SVC advisor.
- **SVC faculty are invested in your success!**
- **Tutoring Center** SVC offers in-person and online tutoring for any student that needs it, for any of our courses.
- **Math Center**
- **Writing Center**
- **Counseling & Advising**

# In-Person, Online or Hybrid classes?

---

- **In-Person courses** are traditional, in-person meetings in classrooms on one of our three campuses (Mount Vernon, Whidbey Island or San Juan). In-person classes meet two - five times per week (this varies by subject matter).
- **Online courses** are fully online and usually asynchronous (meaning there is no set meeting time for the whole group). You can expect to manage your own time to meet deadlines. There can be group work and online discussions, and you do have access to your faculty during office hours.
- **Hybrid courses** are in-person with an online (asynchronous) component. There is a time when the group meets, but not for as long as fully in-person courses, as well as online material that students complete on their own.

# Sample Schedules - Running Start Only (Mix of In-Person, Hybrid, and Online) vs. Part-time at High School with Full-time Running Start (Online)

Mathematics	141	PRECALCULUS I	5	<a href="#">MATH&amp; 141</a>
Mathematics	142	PRECALCULUS II	5	<a href="#">MATH&amp; 142</a>
Mathematics	146	INTRODUCTION TO STATS	5	<a href="#">MATH&amp; 146</a>

# 2

## WHAT IS PLACEMENT?

Placement means that you're ready to take on college-level coursework in English and Math.

There are **two** main ways we work with Running Start students to establish placement:

- **Your High School Transcript:** **ENGLISH** : 3.0 cumulative GPA  
**MATH** : Algebra 2, for two semesters, B or better in BOTH semesters
- **Accuplacer Placement Tool** – this is available at SVC campus or on Zoom (you can take it multiple times and it is free for SVC applicants)

To complete placement with your transcript, email a copy to Enrollment@Skagit.edu with your CTC Link number.

## How do I register for classes?

All new students meet with an SVC Advisor to register for classes.

- New Student Orientations
- Group sessions at local high schools

Talking with your counselor for your RSEVF can help you plan what you want to take at SVC.

Not sure what counts towards high school graduation?

Each high school has an equivalency chart that you can find at

[www.Skagit.edu/running-start](http://www.Skagit.edu/running-start)

# Are you ready to run?

---

- **Save THOUSANDS on college tuition** (but don't forget to factor in the other costs of attendance)
- **College-level rigor + fast-paced environment + exciting classes**
- **Choose your own schedule!**
- **Strong communication** is highly recommended
- **Get started on your college journey** – and remember, it's your responsibility!

**Save time, effort, and money!**

# Thank You! Any questions?

---
